I have been a basketball coach since I was fourteen years old when I started with young players. I have coached more than 500 games in professional leagues between LEB Gold and ACB as a Head Coach and Assistant Coach. I consider myself to be an honest, very responsible and hard-working person. Always committed to my job. I have learned from great coaches. Due to my experiences, I am a great problem solving coach. I like being a true leader on and off the court and I love to encourage teamwork to achieve the goals that are set. Passionate about developing and helping teams to improve and grow.
